

Eagle Scout Service Project Fundraising Application

Before filling out this application, it is important to read "Procedures and Limitations on Eagle Scout Service Project Fundraising." This can be found on the next page: "Fundraising Application Page B." Once completed, you must obtain approval from the project beneficiary and your unit leader, and then submit the fundraising application to your council service center at least two weeks in advance of your fundraising efforts. You will be contacted if it cannot be approved or if adjustments must be made. Use this form, not the Unit Money-Earning Application.

Describe how funds will be raised:

I am going to send out letters to family, friends, and members of Troop 337 asking them to donate money to my project.

Proposed date the service project will begin: 03/23/19

Proposed dates for the fundraising efforts: I want to have all donations in by April 2, 2019

How much money do you expect to raise? \$2,000.00

If people or companies will be asked for donations of money, materials, supplies, or tools, how will this be done and who will do it?*

I may look into asking Mr. Jack Ghiz to donate materials over a meeting, but it is unlikely.

*You must attach a list of prospective donor names and what they will be asked to donate. This is not required for an event like a car wash.

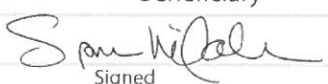

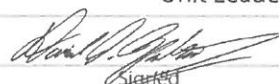

Are any contracts to be signed?

If so, by whom?
